Organisation and Funding

PESC-3 is organized by the German Network and Forum for Biodiversity Research (NeFo) in cooperation with the Fondation pour la Recherche sur la Biodiversité (FRB), the Belgium Biodiversity Platform, the Swiss Biodiversity Forum and the Portuguese IPBES Platform. The conference is sponsored by the German Federal Ministry of Education and Research (BMBF). Additional resources were provided by the Helmholtz Centre for Environmental Research – UFZ and the Swiss Federal Office for the Environment (FOEN).

NeFo is a project funded by the German Federal Ministry of Education and Research (BMBF) and is mainly carried out by the Helmholtz Centre for Environmental Research - UFZ and the Museum für Naturkunde Berlin.
